REFERENCE

ECMW-9003, 8 April 1960

1. Reference is an extremely detailed, complete and well prepared summary of the available information on an StB staff officer. We greatly appreciate the well thought out and executed effort that went into this document, and we feel that by a careful sterilization of source descriptions, the elimination of precise dates, certain names (such as KOUKOLIK, ZOGLER and VANEK), passport numbers and "functions" in para. 3, that it could be made available to UPHILL.

2. The document would be of real value to UPHILL in their current operation "MONOGRAM" and would serve to increase their respect for KUBA particularly in the field of Czech CB. Please advise.
